PEOPLE HELPING PEOPLE

February is the month for celebrating LOVE so we thought it would be a good time to report to our members how EPFCU has shown love for Vermilion County in 2023!

The Danville Cancer Care Center:

During our Spring loan promotion, we raised \$2,000 to support the local cancer center.

The Salvation Army of Vermilion County:

During our fall loan promo, we raised almost \$1900 to support the food pantry at the Danville facility.

The Giving Fence:

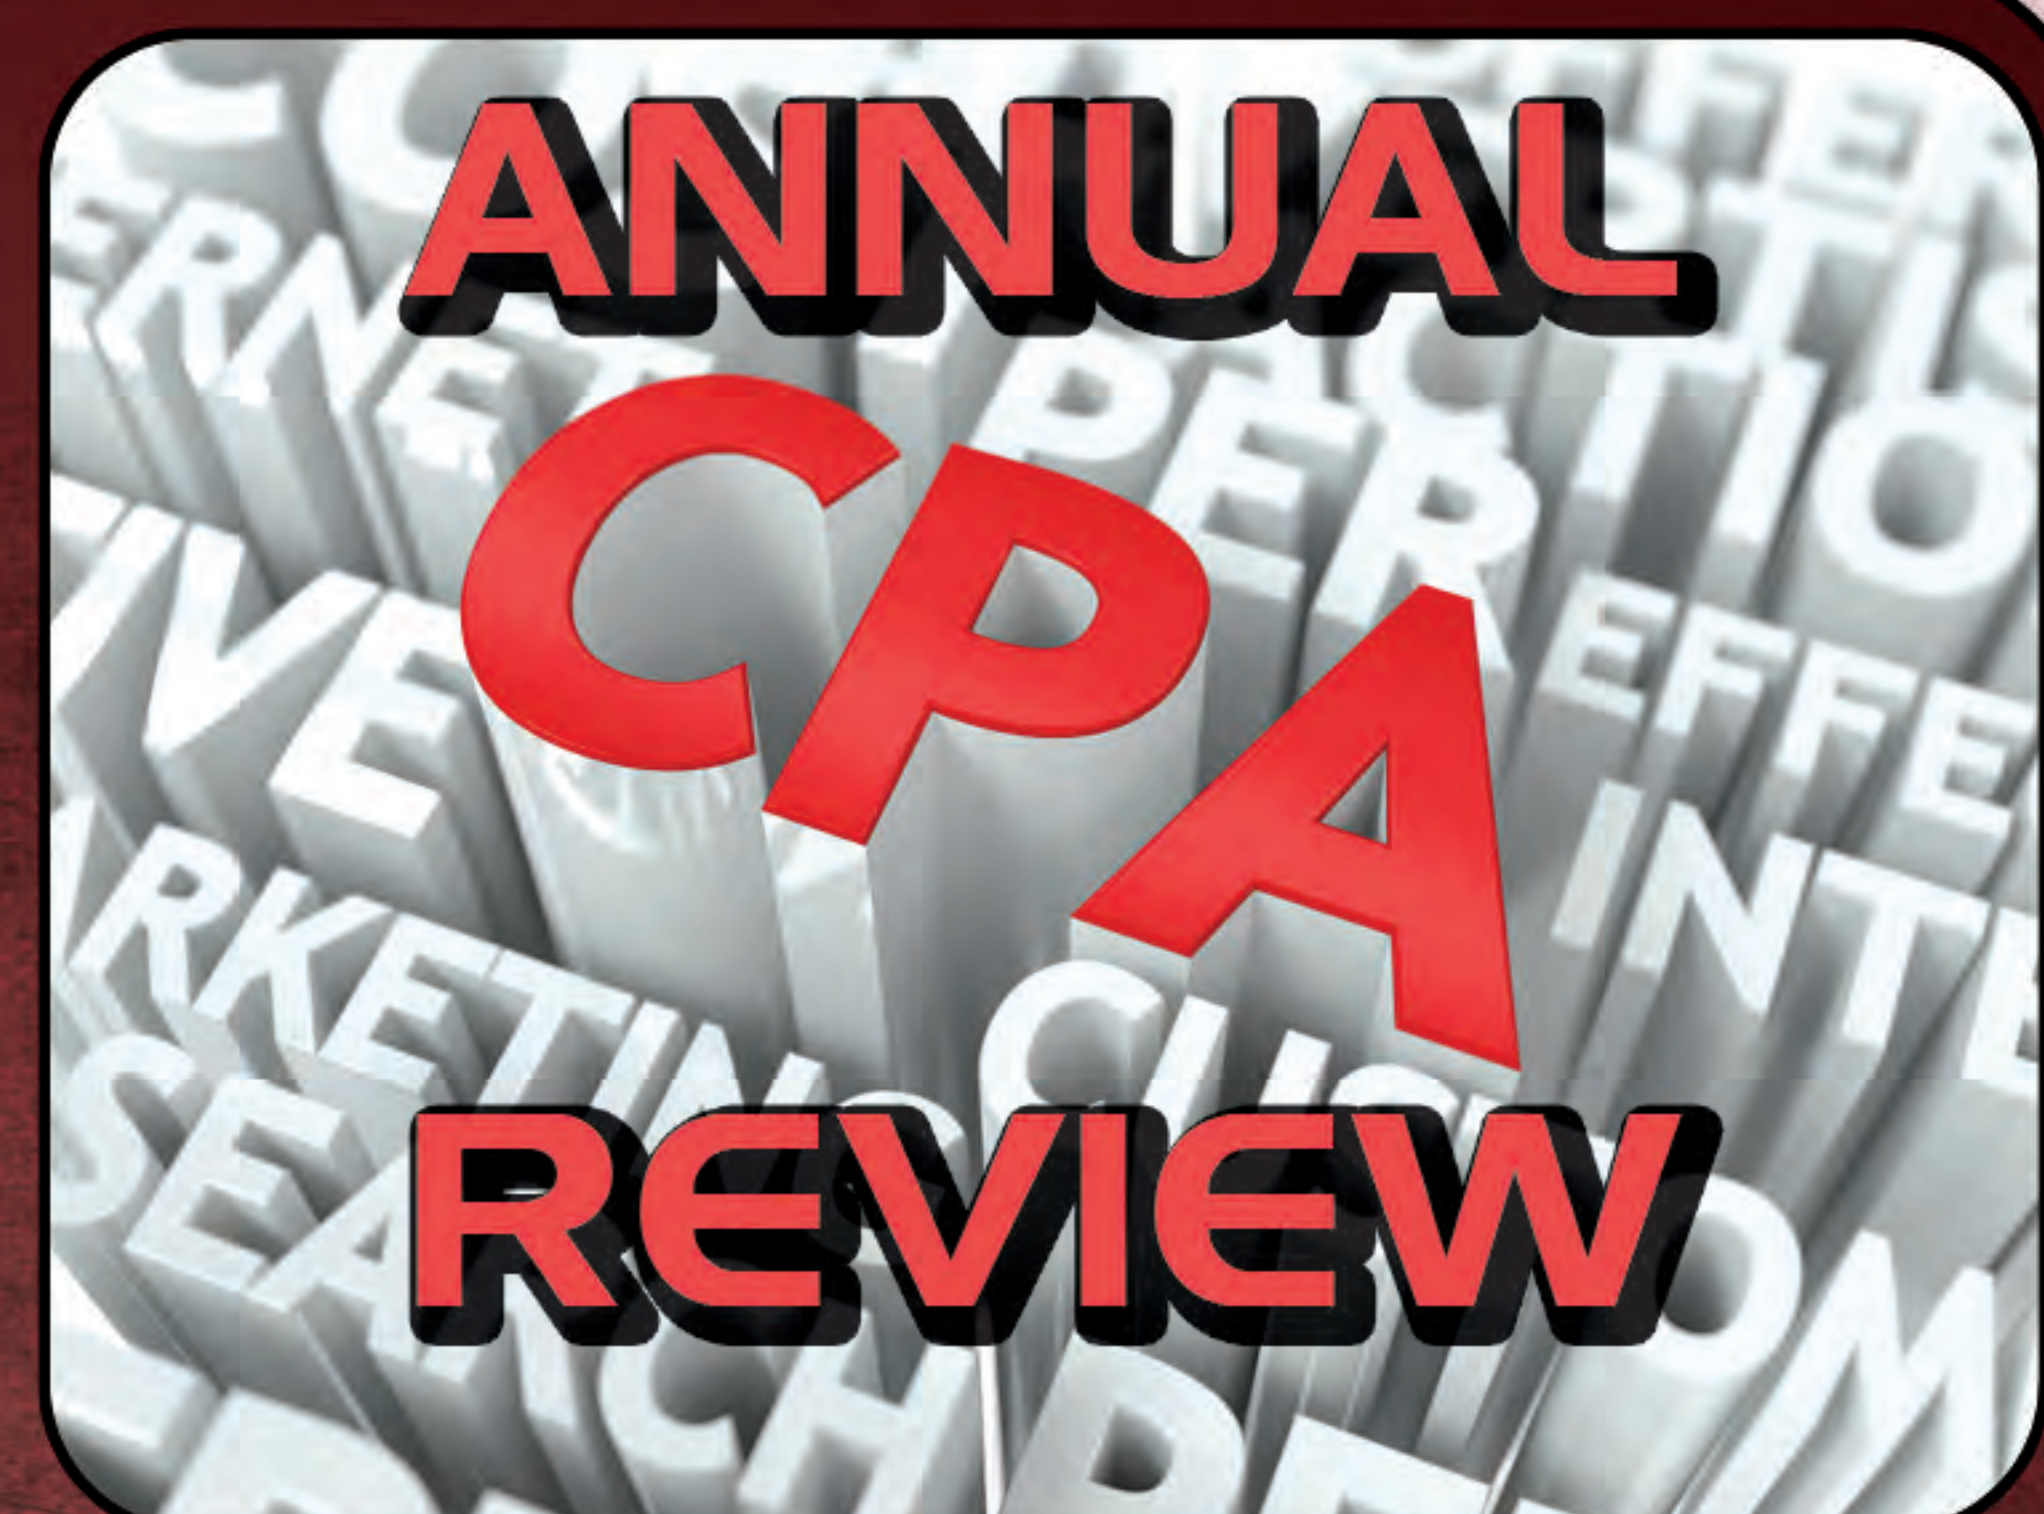

The fence was put back into service in October and will remain in use at least through the end of February providing coats and other cold weather gear anonymously for those in need.

While these are some of our “regular” efforts, we welcome suggestions of ways to support the causes that are near and dear to the hearts of our members. Email your ideas to hgarrett@epfcu.com!

AUDIT CONFIRMATIONS

Don't forget that our annual CPA engagement is underway and you may receive communications via account statements or direct mailings from LMHN, CPAs. **Be advised that these procedures are entirely routine.**

If you should happen to receive a confirmation request from the CPA firm, please help us out and complete and return it as quickly as possible. This helps our process run smoothly and without additional costs!

STAY WARM AND TOASTY THIS WINTER

Mother Nature certainly gave us a healthy dose or bitter cold in January! In case she decides to give us an encore in February or March, we wanted to take a minute to remind our members of all the ways EPFCU is prepared to help you stay warm and cozy while getting your banking done!

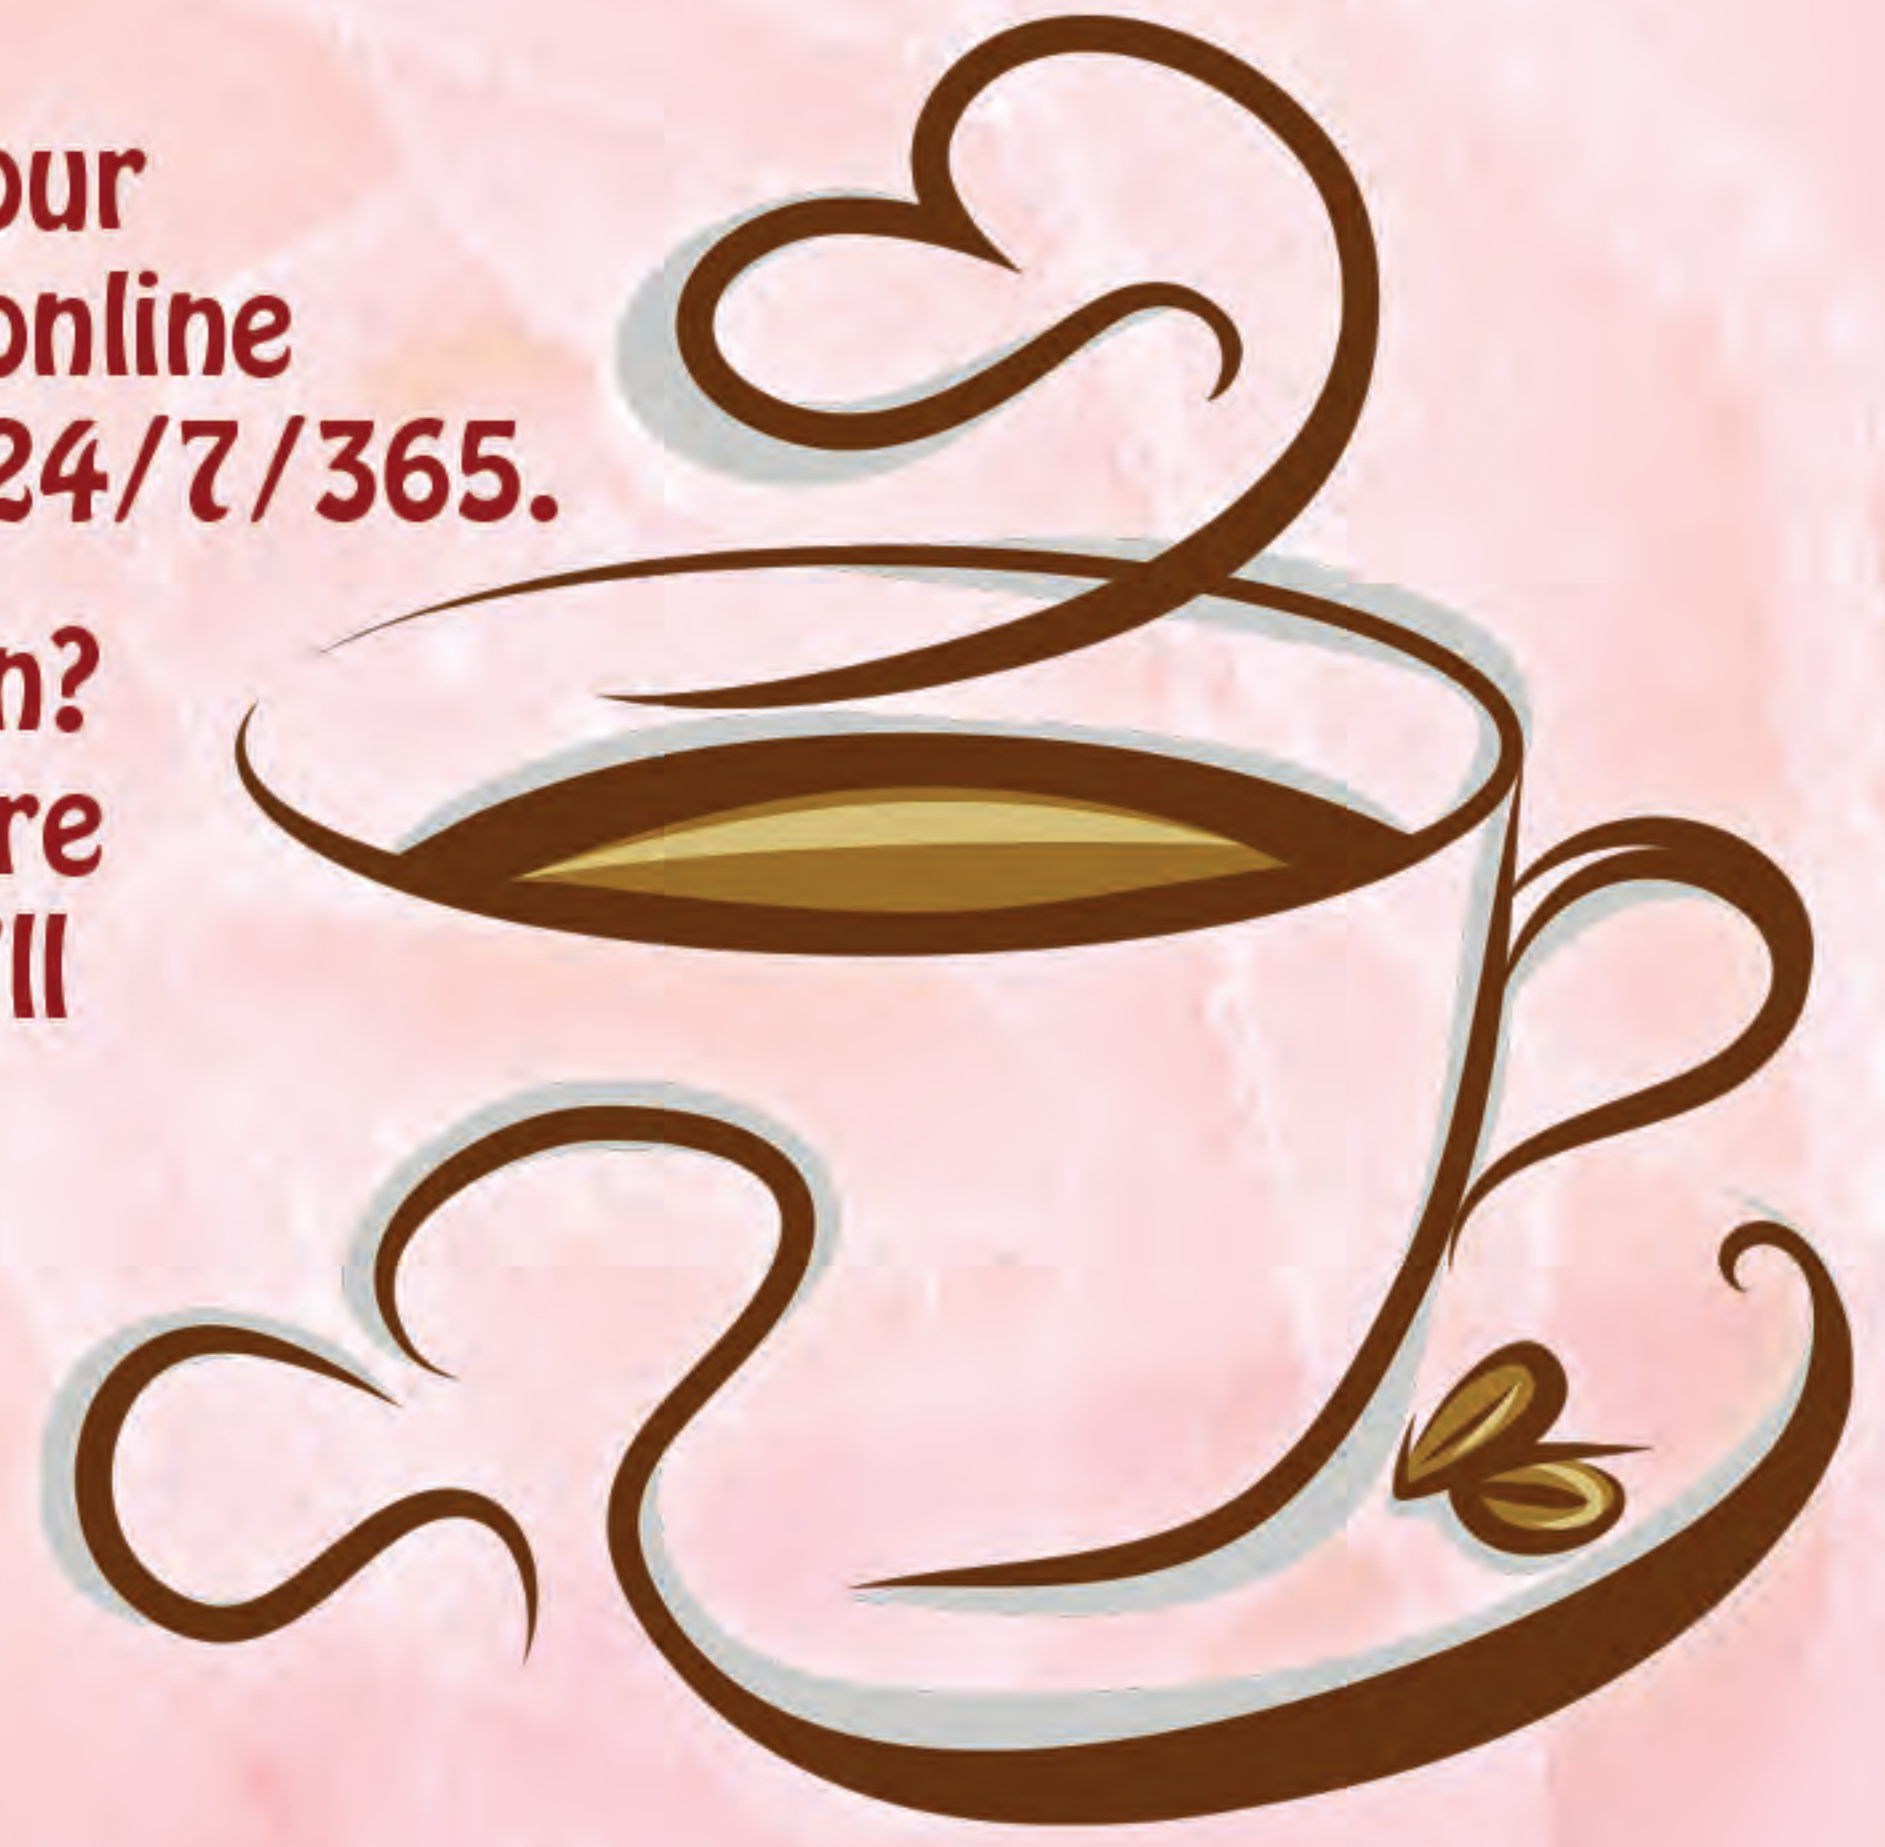

Online Banking: Check your balances, make a loan payment or pay a bill, all with our easy-to-use online banking platform. Available through our website or mobile app, online banking is a free service offered by EPFCU to enable you to manage your finances 24/7/365.

Mobile Deposit: Have a check to deposit but can't get to the credit union in person? Use our free mobile deposit feature within our app to deposit the check with a picture and a few clicks! If you have questions on how to use it, just give us a call, and we'll walk you through it.

Speedyline: For those who don't like to use the internet (or who don't have great service at home or while traveling), EPFCU still maintains a telephone teller service. Just call 888-303-0777 and follow the prompts to check your balance, hear recent transactions, transfer funds between EPFCU accounts, and more!

Drive-thru Facility: Now in its fifth year of operation, our drive-thru facility located at 101 W. Main St. allows our members to receive in-person service without getting out of a warm vehicle! Almost any service that can be conducted at a lobby teller window can also be done at the drive-thru.

And if all else fails, and you **MUST** come in to the lobby to take care of your business, we'll try to have the fire going for you!
