HAPPY \*\*\*  
COLUMBUS  
DAY

EPFCU will be closed for Columbus Day on Monday, October 9, 2023.

## People Helping People

EPFCU has been hard at work this summer living out the credit union philosophy of "people helping people." In addition to our annual loan promotions which raise money for the OSF Bobette Steely Hegeler Cancer Care Center (\$1800) and the Danville Salvation Army (\$1670), we have also been able to help two other organizations which serve children and families in Vermilion County.

First, we received a \$3000 grant from Visa which we awarded to the Winterview Youth (Softball) League. Winterview has diligently been working to upgrade their facilities over the last two years to ensure that they are around for years to come. The grant from Visa will allow them to buy much-needed equipment for ongoing field maintenance.

More recently, EPFCU contributed \$1000 to the School Supply Drive coordinated by The Life Church in Danville. The church teams up with the social workers in our largest elementary school to purchase supplies that fill the gaps where families cannot, ensuring that each student is set up for success.

EPFCU is proud to support our members and the causes that are near and dear to them!

## Building Reps Still Needed!

Please consider being the Building Rep for your facility. Building Reps place CU informational materials in the staff lounges throughout the school year. In addition to being among the "first to know" about new products and services, Building Reps each get one complimentary ticket to the Annual Meeting. Email [hgarrett@epfcu.com](mailto:hgarrett@epfcu.com) to sign up!

## Bigger & Better Bill Pay!

In May, **MasterCard** announced that they would be adding “hundreds of thousands of small / mid-size businesses” to their electronic bill pay product over the next few years, with a particularly large push to add as many as possible this summer, prior to September 30, 2023.

This means that our members who use our on online bill pay product, and have one or more payments set up to go out via “Check by Mail”, should periodically check to see if the merchant they are paying has been added to the “Electronic” tab. At this time, **MasterCard** has not shared with us a list of new payee businesses, but if they do, we will be sure to share it with our members.

This upgrade will enable more of your payments to go out electronically (via ACH) rather than via a paper check sent through the USPS. This will get the payment to the merchant faster, as well as eliminate the risk of lost/delayed checks. Our checks are issued as CASHIER'S CHECKS meaning if they get lost, we have to wait 90 days to refund/reissue them!

We recognize that this has been a big hassle for the few members that it has happened to! Unfortunately, we are somewhat restricted by the regulations pertaining to Cashier's Checks. While we are looking for a work-around for this issue to use in the interim, we are anxiously awaiting the expansion of **MasterCard**'s electronic functionality just as you are!
