Summer Vacation

The season we've all been eagerly awaiting is finally here-summer! Whether you're heading to a tropical beach, exploring a vibrant new city, or embarking on an exciting road trip, now is the perfect time to start planning your getaway. To make your travel experience as seamless and stress-free as possible, we're here to help. One of the best ways to ensure peace of mind is by having a backup plan for your payments, such as our prepaid Visa Travel Money Cards. These cards offer the same convenience and protection as all cards issued by EPFCU, but with added flexibility- you can easily reload funds before or during your trip, giving you the confidence to enjoy every moment without worry. Remember to inform your financial institution of your travel dates to prevent any fraud alerts, and it's always wise to save their contact information and your card issuer's details in case you need assistance while on the go. Carrying multiple payment options-debit, credit, a Visa Travel Money Card, and some cash-can also help you stay prepared for any situation. Creating a checklist beforehand to ensure you don't forget essentials like chargers, travel documents, and medications can save a lot of stress later.

This summer don't let payment concerns hold you back from fully embracing your adventures- get ready to explore with confidence! To learn more about our prepaid Travel Money Cards and make your summer travels effortless and enjoyable, visit us at 1102 N Walnut or 101 W Main. Safe travels from all of us at EPFCU!

Employee Spotlight

This month we're shining the spotlight on a dedicated and versatile member of our team-Frank Hoskins! Frank joined us in 1995 as a contract security officer. Over the years, his hard work earned him a well deserved promotion in April 2022 to Director of Facilities and Security. Frank is a jack of all trades, he truly does it all- whether he's ensuring our facilities are running smoothly, fixing what's broken, or keeping everyone safe. His expertise and dedication never go unnoticed. His ability to handle a wide range of responsibilities makes him an invaluable part of our team. When Frank isn't here making sure everything's in order, he enjoys hitting the water fishing, exploring new places through travel, and riding his motorcycle. We're so grateful to have him as part of our team!
