FEDERAL CREDIT UNION

DON'T MISS THIS OPPORTUNITY

March is the final month to compile and submit your application, with all submissions due by Tuesday, April 1! Applications can be found online at <https://educationpersonnelcu.com/pdf/EPFCUScholarshipApplication2025.pdf>, on our Facebook page, or you can pick up a physical copy at either of our branch locations.

Applicants must be members of the credit union or the children of current members. Additionally, applicants should be planning to pursue post-secondary education at any level in the fall of 2025.

EMPLOYEE SPOTLIGHT

This month we are shining the spotlight on Anjel Rosner. Anjel kicked off her journey with us as a teller back in August of 2022. She took a big leap and embraced her role as an Accounting Specialist in February of 2024. She enjoys reading and painting her nails. She also loves spending quality time with her adorable dog, Bubbles.

Spring Break Travel Tips

Spring break is almost here! If you're planning to travel, we have a couple of solutions to make your trip smoother and more enjoyable. Traveling is fun, but it can also be stressful, especially when unexpected financial issues arise.

To ensure peace of mind during your getaway, consider purchasing a Visa Travel Money Card. You can load money onto it before you leave and securely store it in your hotel room while you're out exploring. This way, if you happen to lose your wallet or encounter any fraudulent activity, you'll have a reliable backup plan. Don't let financial emergencies hinder your travel experience—prepare in advance and enjoy your vacation to the fullest!

Also, use our mobile app to restrict your debit cards while they are not in use. Within the app menu, navigate to Cards—Freeze Card and then click on the Active button for the card you want to freeze to toggle it to frozen. Ready to use the card again? Simply return to the same screen and click the Frozen button to change it back to active.

Tax Season

Tax season is officially here! We want to remind you that we have specific limits on certain types of transactions to help you manage your finances effectively this tax season. If you're withdrawing cash from a teller, the limit is set at \$2,000 per day. Debit cards are limited to \$500 per day in cash, \$1000 per transaction, and \$2000 per day in total purchases. Some of these limits can be modified, but the total daily limit of \$2000 remains fixed. Please give us a call at 217-446-0777 to discuss any adjustments we might be able to make for you.
