## BUYING A CAR MADE EASY

Buying a new car should be fun, but instead, it is typically pretty stressful. Finance with EPFCU and let us help make it easier!

First, before you sign on the dotted line for that purchase, let us provide you with a FREE CARFAX report. In the last year we have helped more than one member identify undisclosed accidents and mileage discrepancies in the cars they were about to purchase!

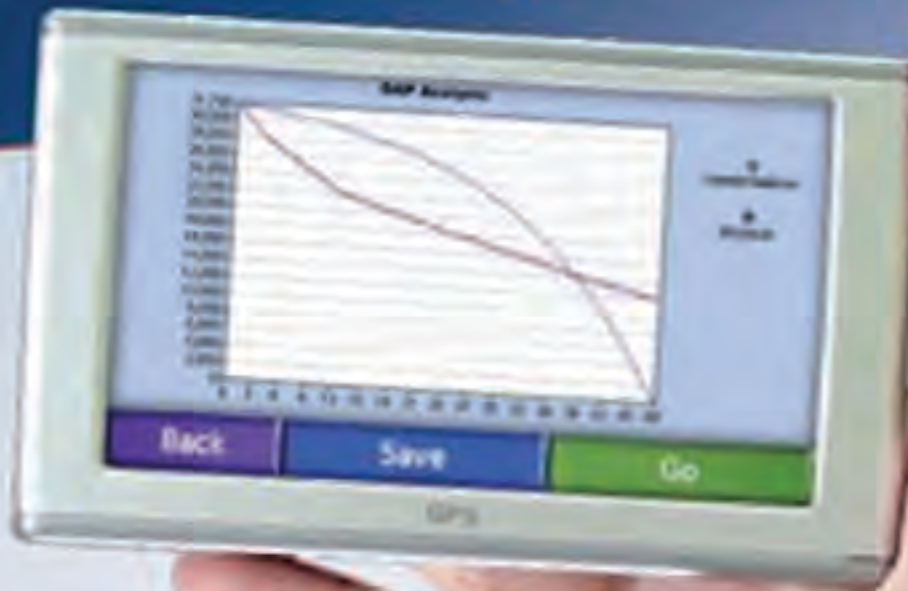

Then, once you have decided on a car, protect it with the lowest-priced GAP protection in our area. GAP, which stands for Guaranteed Asset Protection, helps pay off your auto loan if your vehicle is totaled but the insurance claim doesn't cover the entire balance.

For more information on either of these products, just give us a call!
