ANOTHER NIGHT DEPOSIT!

At the end of January, the drive-thru facility put into service the night deposit safe located at that facility. You can find it on the southeast wall of the building near the intersection of Main and Walnut streets.

Unfortunately, it is not possible to drive up to it, but after hours, our members are welcome to park in the employee parking area on the east side of the parking lot to get as close as possible.

Of course, the night deposit safe on the porch at the lobby facility will also remain in service, giving our members TWO options for deposit drops!

PEOPLE helping PEOPLE

One of our favorite things to do is help out those in our community...and that extends even beyond our own membership.

We are happy to report that our spring loan promotion raised \$2,000 for the OSF Healthcare Cancer Center, and the fall/winter promotion raised \$1,650 for the Salvation Army Food Pantry, both right here in Danville!

Also, don't forget that we will still be accepting and giving away coats and other winter weather clothing items on our Giving Fence at the drive-thru facility (101 W Main).

AUDIT Confirmations

Don't forget that our annual CPA engagement is underway and you may receive communications via account statements or direct mailings from LMHN, CPAs. Be advised that these procedures are entirely routine.

If you should happen to receive a confirmation request from the CPA firm, please help us out and complete and return it as quickly as possible. This helps our process run smoothly and without additional costs!
